Graduation Requirements

I. Total Credit Hours

Students must complete at least 90 credit-hours with either a grade of “D” or better or an “S”. Notwithstanding the foregoing, students must earn a grade of “C” or better in Professional Responsibility or Problems in Professional Responsibility. Students must also earn a grade of “C” or “S” if taken pass/fail, in a course that satisfies the Writing Requirement and a course that satisfies the Professional Skills Requirement.

II. Residency Requirement

Students must register for a minimum of 12 credit-hours per semester of law school work (including non-law school courses accepted for law school credit) to satisfy the residency requirement. To graduate, students must complete 6 semesters of law school residence, 4 of which must be completed at the University of South Carolina School of Law. Note that merely satisfying the 12 credit-hour residency requirement in each semester of a student’s second and third years will not satisfy the 90 total credit-hours required for graduation. Note further that by attending two summer sessions and registering for a minimum of 6 credit-hours each session, a student can obtain one semester of residency. Although credit-hours earned during Maymester can be included in determining the minimum 6 credit-hours per summer session requirement, to receive residency credit a student must complete at least one course during the regular 7-week summer session.

III. Required Upper-Level Courses

Students must successfully complete the following upper-level courses and satisfy the Writing Requirement.

- Problems in Professional Responsibility (3 credit-hours) or Professional Responsibility (2 credit-hours) with a grade of “C” or better
- A Perspective Course
- A Professional Skills Course with a grade of “C” or better, or “S” if taken pass/fail

During the academic year, the Law School will offer the following Perspective Courses:

Spring 2016 Semester

- Children and the Courts
- Climate Change Seminar
- Counterterrorism
- Criminal Regulation of Vice
- Federal Indian Law
- International Trade Law
- Juvenile Justice
- Law & Social Justice Seminar
- Law and Economics
- Law, Society & Justice
- Religious Legal Systems: Jewish Law
- Russian Law and Legal System
- Technology Law: Law of the Newly Possible
- The Constitution & National Security
- Transnational Law
IV. The Writing Requirement

To satisfy the Writing Requirement, a student must complete a substantial legal research project that meets the criteria in subparagraph (A) or satisfies the requirements of a proposal approved by the Curriculum Committee under subparagraph (B)

(A) To satisfy the Writing Requirement a paper must:

1. Be in the form of a law review article, brief, or memorandum of law.
2. Be prepared under the supervision of a member of the faculty. The supervision requirement must be satisfied by:
   a) taking a course with not more than 20 students in which students are required to write a paper complying with the Writing Requirement (identified in the registration materials as a “Writing Seminar”); or
   b) through independent research supervised by a faculty member. No faculty member shall supervise more than five such papers in any given semester.
3. Be submitted in final written form of approximately 30 to 50 pages in length, after the submission of an outline and draft that have been critiqued by the professor.
4. If written for a letter grade, receive a grade of at least a “C”. If written under a pass/fail election, receive a grade of “S”. Note that under a pass/fail election a student must earn a grade of “C” or higher to receive an “S”.

(B) The Curriculum Committee is authorized to approve, on a case-by-case basis, other faculty proposals for satisfying the Writing Requirement, such as a series of shorter memoranda, problems, or drafting exercises. The Committee will approve only those proposals involving as much legal writing, in an appropriate form, as does the traditional 30-50 page paper.

Deadline for completion of Writing Requirement. Unless the paper is written in a Writing Seminar that a student takes in his/her final semester, May graduates must submit their papers in final form by January 15, and December graduates must submit their papers in final form by September 1. Graduates may not satisfy the Writing Requirement with Supervised Legal Research in their last semester.

The following Writing Seminars and courses approved for satisfaction of the Writing Requirement will be offered in the spring 2016 semester. Courses marked with an asterisk (*) may satisfy the Writing Requirement with permission of the instructor.

Spring 2016 Semester

- ADR in Employment Law (either writing requirement or professional skills, but not both)
- Advanced Family Law (3-hour option)*
- Advanced Legal Writing (either writing requirement or professional skills, but not both)

• Russian Law and Legal System
• State and Local Tax ((3-hour option)*
• Technology Law: Law of the Newly Possible (3-hour option)*
• The Constitution & National Security (3-hour option)*
• The Future of the Legal Profession

Note that even if a student earns a grade of “C” or better in a Writing Seminar or a course approved by the Curriculum Committee, the professor may refuse to certify that the student’s paper has satisfied the Writing Requirement if the paper is deficient.

Note that a student may satisfy the Writing Requirement by submitting a brief prepared for a moot court competition only if the student's individual work product is at least 30 pages in length and a supervising professor has reviewed a preliminary and a final draft.
V. The Professional Skills Requirement

Each law student must successfully complete at least one Professional Skills Course, with a grade of "C" or better or a grade of "S" in a pass/fail course, in order to graduate. The following courses have been designated by the faculty as the only courses that can be taken to satisfy the Professional Skills graduation requirement.

The Registration Process

I. Dates and Times for SSC Registration
Except for the Client-Contact Clinics, Externships, Capstone Courses, Coastal Law Field Lab, Supervised Legal Research, Moot Court Competitions, Editorial Positions, and courses listed with a permission of instructor notation, registration will be via Self Service Carolina (SSC).

See Section IV for the procedures to register for Client-Contact Clinics.

See section V for the procedures to register for Externships, Capstone Courses and Coastal Law Field Lab

See Section VIII for the procedures for registering for Supervised Legal Research, Moot Court and Mock Trial Competitions, and Editorial Positions.

Third-year students will register on Tuesday, October 27, 2015, at 1:00pm. Second-year students will register on Friday, October 30, 2015, at 1:00pm. To register using SSC, you will need (1) your VIP identification number and password and (2) the course reference numbers (CRN) for the courses in which you wish to register. If you do not remember your VIP ID, contact the Law School Registrar. The CRNs for Law School courses are set forth in the Alphabetical Listing of Courses.

II. Progression-Entry Courses and Block Pre-registration
There is one required upper-level course, which must be completed prior to graduation: Problems in Professional Responsibility or Professional Responsibility. There are five other courses that are designated as Progression-Entry Courses. These courses are Business Associations; Criminal Procedure; Evidence; Income Tax; and Wills, Trusts & Estates. Each of these courses is a prerequisite for other courses in their subject areas and must be taken prior to other courses in the subject progression. Progression-Entry Courses are not required courses.

For all of these courses, 2L students will be given registration priority over 3Ls. 3Ls will not be permitted to register for these courses until 3:00 pm on Friday, October 30, 2015, subject to space being available in the course.

Block Pre-registration

Block registration is being used in the 2015-2016 academic year for the one course (Problems in Professional Responsibility) required for graduation. Block registration is designed simply to ensure that every 2L student has an opportunity to take the required course. Under the block-registration system, the 2L class has been divided into three blocks. Students in each block will be pre-registered for a specified section of Problems in Professional Responsibility. 2Ls may consult SSC to determine the block to which they have been assigned. A student may elect during registration to drop Problems in Professional Responsibility which the student was assigned and may enroll in another section if space is available and/or if another section is available. Students who elect not to take the required course at the blocked time should keep in mind that they will be permitted to register for the course as a 3L only if space permits after 2L registration.
Progression-Entry Course

The five Progression-Entry Courses – Business Associations, Criminal Procedure, Evidence, Income Tax, and Wills, Trusts & Estates – are not subject to block registration. 2Ls, however, do retain registration priority. 3Ls may not register for these courses until 3:00 pm on October 30, after 2L students have had an opportunity to register.

There is a risk, if too many students wait to take a particular course in the Spring 2016 semester, that there will not be enough seats available in that semester for all 2Ls who wish to enroll. Therefore, a student needing to take such a course as a 2L may wish to enroll for the course in the Fall 2016 semester.

III. Third-Year Students: Registration for Progression-Entry Courses or Block Registration Course Prohibited Until After Second-Year Registration

A third-year student may not register for a Progression-Entry or Block Registration course prior to open admission at 3:00 pm on October 30, 2015.

IV. Registration for Client-Contact Clinics: Lottery

Registration for Child Protection Advocacy Clinic, Criminal Practice Clinic and Special Education Law Clinic was determined by lottery in March 2015. If space becomes available in a clinic, it will be opened for registration by third-year students.

A student who has already taken a clinic may not enroll in a second clinic before 3:00pm on Friday, October 30, and may enroll then only with the permission of Associate Dean Cherry.

Note also that there will be no waiting lists for the Lottery courses. Nor can a student hardship into a lottery course.

In order to take a client-contact clinic, a student must be in academic good standing at the beginning of the semester in which the clinic is offered. Note that a student may not enroll in more than one Client Contact Clinic without the written permission of the Director of the Clinical Program or Associate Dean for Academic Affairs.

Note - A mandatory class meeting for all Spring 2016 client-contact clinics students will be held during the first week of classes.

V. Application Only Courses

An application is required to be considered for enrollment in Capstone Courses, Coastal Law Field Lab, Fourth Circuit Practice, and Externships. Listed for your convenience are the courses being offered in Spring 2016 and their pre/co-requisites.

Capstone Courses – limited to 3Ls:
- Civil Litigation Capstone – Professional Responsibility or Problems in Professional Responsibility; Evidence
• Real Estate Transactions Capstone – Real Estate Transactions I is preferred but not required
• Small Business Capstone – Professional Responsibility or Problems in Professional Responsibility; Corporations or Business Corporations; Partnership Tax

The application process is intended to gauge interest, make sure that students who have not participated in either a clinic or externship receive priority, and to create an even distribution of students who have a variety of practice interests. **To apply for a Capstone Course please submit a short letter of interest, and your CV by October 23, 2015 at 12:00 p.m. to lawreg@law.sc.edu or to the law registrar’s office, suite 137.** Please include the following information in your letter: (1) which course and why you are interested in taking a Capstone Course and (2) your areas of practice interest.

Coastal Law Field Lab:

The prerequisite for the course is at least one of the following, however, others are encouraged to apply:
• Administrative Law
• Climate Change
• Coastal Law
• Energy Law
• Environmental Law
• Water Law

The course will take place during Spring Break 2016. There will be an additional investment for room, board, and transportation. **Applications are due to the Law Registrar’s office by 1:00 p.m. on Wednesday, October 21, 2015.** Please note that this course will not be offered in spring 2017 therefore, no preference will be given to third year law students.

Fourth Circuit Practice

To apply for Fourth Circuit Practice please submit a short letter of interest, and your CV by **Friday, October 23, 2015 at 12:00 p.m. to lawreg@law.sc.edu or to the law registrar’s office, suite 137.** Please include the following information in your letter: (1) your interest in taking Fourth Circuit Practice and (2) your areas of practice interest.

Externships:
• Administrative Law Externship–Professional Responsibility or Problems in Professional Responsibility
• Children’s Law Externship – Professional Responsibility or Problems in Professional Responsibility and Children and the Courts or Parents, Children & the Law
• Criminal Law Externship- Professional Responsibility or Problems in Professional Responsibility
• Judicial Externship – Professional Responsibility or Problems in Professional Responsibility
• Legislation Externship – Professional Responsibility or Problems in Professional Responsibility

Students participating in the externships will be placed with lawyers/judges outside of the Law School and should be able to spend 6-10 hours per week at the location of their placement. Participating students must also attend a regular classroom component of the program. Students are limited to 2 externships (maximum 6 credit hours).
VI. Hardship Petitions

Students who are not able to register for a course because it is closed may petition after 3:00 pm on Friday, October 30, 2015, for admission to the course because of hardship. Students seeking hardship admission must submit a written petition to Ms. Keith, the Law School Registrar. The petition must show a reason why the student must be admitted to the course in the Spring 2016 semester. Forms for the submission of hardship petitions are available in the office of the Law School Registrar and online at the Law School Registrar's website, under forms, http://www.law.sc.edu/registrar/forms.shtml. Hardship petitions are almost always denied in the following situations: (a) a second-year student seeks to register for a section of a Second-Year-Preference Course other than the section for which the student has been preregistered; (b) the student seeks a different time or professor; (c) the student still has the opportunity to take the course in a future semester; or (d) the course has a limited enrollment for pedagogical reasons or because of classroom seating limits. Note that with the exception of professional skills courses and clinics, we are often able to grant student hardship petitions that do not fall within these four situations. Students are encouraged to submit hardship petitions as early as possible. The Associate Dean will begin considering and granting hardship petitions after being reviewed by the law registrar on Wednesday, November 4, 2015. Notice of the Associate Dean’s decision will be e-mailed to the petitioner.

VII. Drop/Add

Students may drop/add courses by SSC any time after the registration period until Tuesday, January 12, 2016 (subject to course meeting the entire semester). After that date students may change their schedules only with permission of Associate Dean Cherry.

VIII. Non-course Work: Supervised Legal Research, Moot Court, Mock Trial, and Editorial Positions

A. Supervised Legal Research

Normally Supervised Legal Research is awarded one or two credit-hours, depending upon the extent of the writing project.

To register for Supervised Legal Research students must:

1. Obtain a supervised legal research form from the Office the Law School Registrar, suite 137.
2. Contact a faculty member in your area of interest, agree on a topic, and have the faculty member sign the form.
3. Leave the form with the Law Registrar, who will forward it to Associate Dean Cherry for approval. If approved, the Registrar's office will have to register you for this course.

B. Moot Court & Mock Trial Competitions

To register for credit as a participant on one of the Law School's Moot Court or Mock Trial competition teams, students must:

1. Obtain a form for supervised extracurricular competition from the Law Registrar's Office,
suite 137. Students may receive credit for moot court or mock trial work only if their work is reflected in a written product. Consult Romona Keith for further information.

(2) Have the form signed by the faculty advisor for the competition and return the form to the Law Registrar’s Office. You cannot register for supervised extracurricular competition by SSC.

NOTE: A student can receive degree credit only once for participating in an extracurricular competition or law review.

C. Editorial Positions

Students registering for Editorial Positions on the South Carolina Law Review, the Real Property, Trust and Estate Law Journal, the Journal of Law and Education, or the Journal of International Law and Business must complete the form available in the Registrar’s Office. Credit for Editorial Positions is normally awarded in the second semester of a student’s third year.

IX. Examination Date Conflicts; Overlapping Course Times

Courses that meet at the same time are given the same examination date to prevent examination conflicts. Because the number of scheduling blocks exceeds the number of examination dates, it is possible that you may want to register for two courses that have the same examination date. Inform the Associate Dean for Academics at the beginning of the semester if you have such a conflict. We will arrange for an alternative examination date for one of the courses. However, Law School Rules preclude the Associate Dean from postponing an examination on the grounds that a student has several examinations in sequence. See Law Student Handbook section entitled, “Student Petitions”. The Handbook is available online at www.law.sc.edu/registrar/downloads/handbook.pdf.

A student may not enroll in courses that have any overlap in meeting times. It is your responsibility to ensure that meeting times do not overlap. A student who registers for courses in violation of this rule may be dropped from one or both of the courses.

X. Audits, Pass/Fail Credit, Non-Law Courses

A student wishing to audit a course may do so with approval of the instructor, if there is room in the course after all students taking the course for credit have enrolled, and subject to the following conditions. The course does not count toward the graduation or semester residency requirements; the student must pay additional tuition if the total credit-hours taken in the semester, including the audited course, exceeds 16 hours; and the student may not later take the course for credit. The deadline to register for a course as an audit is the end of drop/add.

In addition to Introduction to the Legal Profession, a student may take a maximum of six credit hours during their law school career on a pass/fail basis. However, pass/fail credit is available only in those courses offered exclusively on a pass/fail basis or with the instructor's consent in Supervised Legal Research. A student wishing to take Supervised Legal Research on a pass/fail basis must obtain the instructor’s consent on a form obtained from the Law Registrar. A paper generally cannot be changed from pass/fail to a letter grade, or vice versa, after the end of the University period for changing a pass/fail election, which is usually 6 weeks after the end of drop/add.
During their law school career, second and third-year students may take a maximum of two courses offered in other departments of the University for up to six hours of law school credit, with the prior permission of Associate Dean Cherry. Only graduate (500-level and above) courses are acceptable. If a student enrolls in a course offered by another department, not for law school credit, the hours earned will not count towards the 12 credit-hours required for residency.

**NOTE:** See the Law School's Web page at [http://www.law.sc.edu/registrar/](http://www.law.sc.edu/registrar/) for course descriptions and advisement materials on the upper-level curriculum.

### XI. Variable Credit Courses

Some courses are designed as variable credit courses. Typically, a student may elect to take the course for 2 credit-hours or complete a more substantial writing assignment for 3 credit-hours. It is the responsibility of students to make certain that they have registered properly for the desired number of hours. The number of credit hours **will not be changed** up or down after the end of the drop-add period.

**NOTE:** See the Law School's Web page at [http://www.law.sc.edu/registrar/](http://www.law.sc.edu/registrar/) for course descriptions and advisement materials on the upper-level curriculum.
